LAST NIGHT.

MMMN...

GRRRGH.

OH GOD,
OH GOD,
OH GOD

AAAAHH!

Yesss...
Almost
there...

UGH
UH-

WHAT
THE-?!

RRRAAAARRRGH!

Oh, bless'd
Athena...

...

SIGHE
THE
MONSTER
CONTINUES HER
MURDEROUS
TRAIL...BUT I
PRAY-

-That this man's
soul finds its way to
the Elysian Fields...
That his virtue, which
was corrupted by the
lure of Medusa's curse,
does not hinder
its course.

She is a
blight...A
curse...

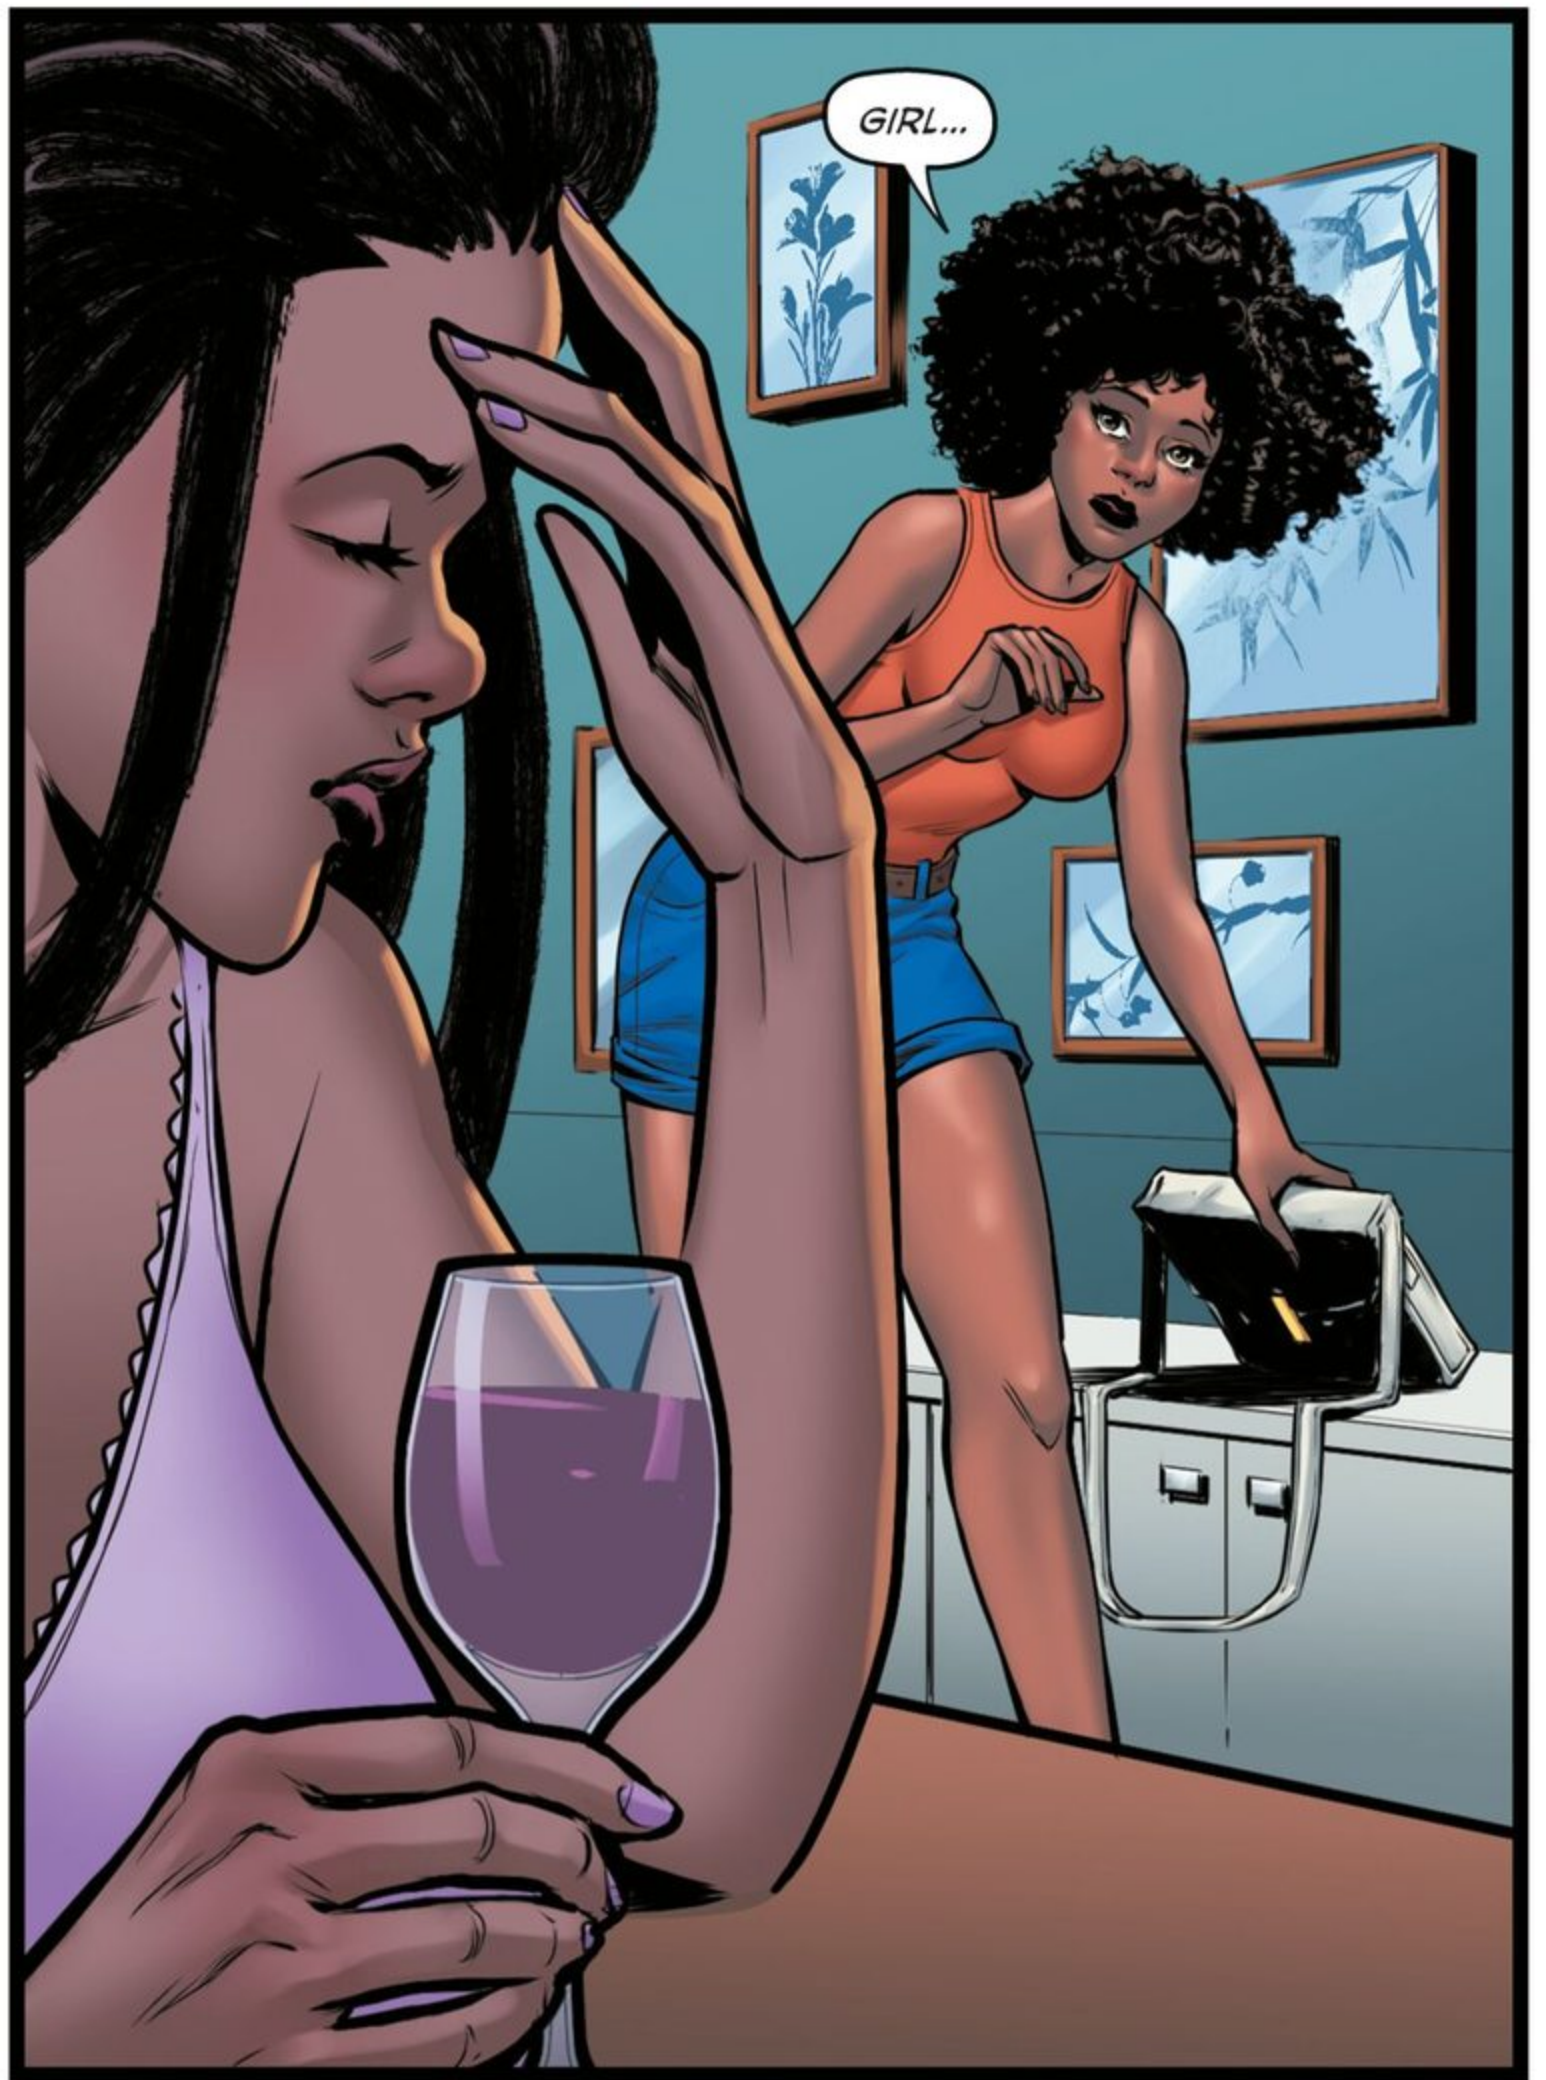

...That has found
its way back into
the world. I pray
that I will be both
the balm and the
blessing.

So, give me
this day what I
need to...Resist
temptation and
her gaze.

NOW AND
FOREVER,
MY GODDESS,
ATHENA...
AMEN.

MEANWHILE.

ANOTHER VICTIM...
ANOTHER MAN
TURNED TO
STONE-LIKE, HOW
IS THIS SHIT EVEN
POSSIBLE?!

I NEED ANSWERS, AND IT
ALL *BEGINS* AND *ENDS* WITH
MANDISA JONES SOMEHOW—
I KNOW IT. I HAVE TO FIND
A WAY TO GET HER DNA.

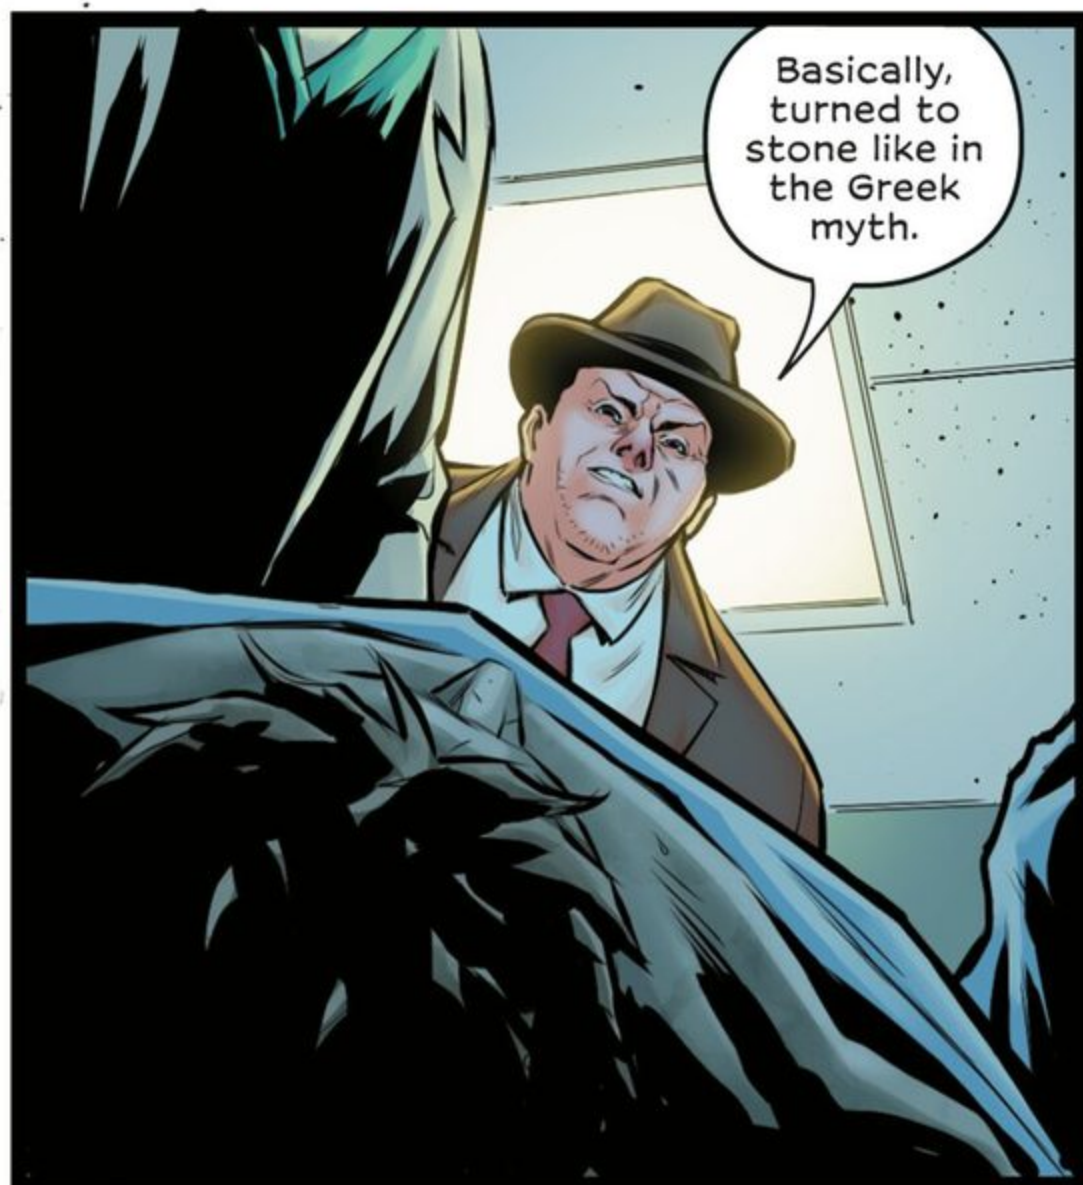

SO
WHAT
DO WE
GOT?

LIKE THE OTHERS...

...APPEARS TO BE SOMETHING LIKE CALCIFIED LIMBS, BODY, RIGID LIKE RIGOR MORTIS BUT...THERE'S NO SCIENCE FOR WHATEVER THE FUCK IS HAPPENING TO THESE VICS.

Basically, turned to stone like in the Greek myth.

I need to know how the hell she's doing this?

SHE?

YEAH, I'VE BEEN DOING MY OWN INVESTIGATION. THERE'S THIS WOMAN...

...SHE'S IN EVERY SURVEILLANCE VIDEO I PULL. CAN'T BE A COINCIDENCE.

UMMM...

...I DON' KNOW HOW ANYONE WOULD DO THIS, IF I'M BEING COMPLETELY HONEST. MAYBE SOME KIND OF POISON.

BUT I'M ASSUMING *THIS* ONE IS LIKE THE OTHERS, IF I ATTEMPTED TO PERFORM AN AUTOPSY, CUT INTO THE STONE, IT WOULD JUST CRUMBLE, NOTHING INSIDE, NO TRACE OF ANY KIND OF ORGAN OR BLOOD.

I DON'T KNOW HOW ANY OF THIS IS POSSIBLE, DETECTIVE.

ELSEWHERE.

Athena...

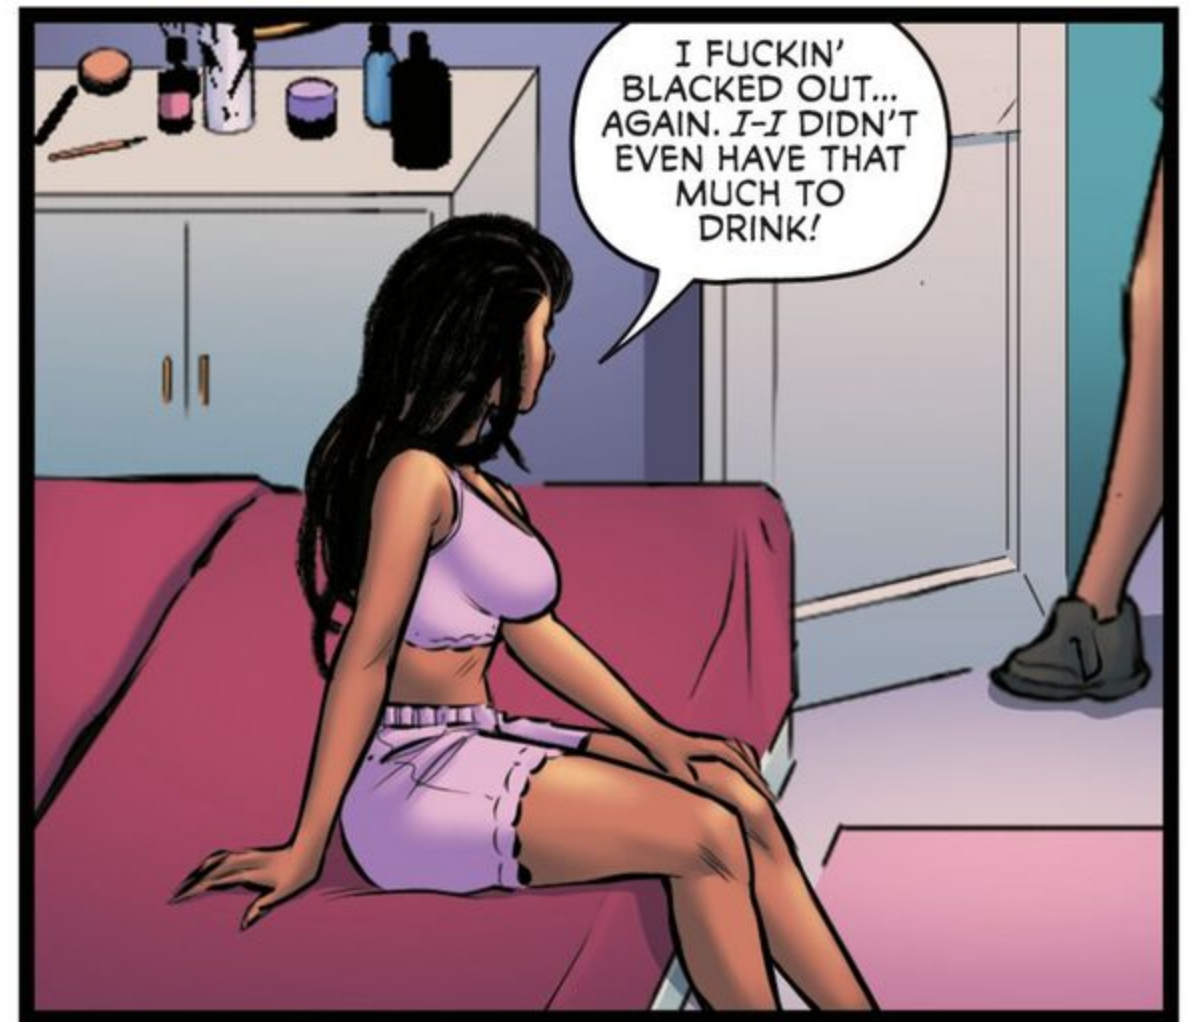

...I'm here to do your will.

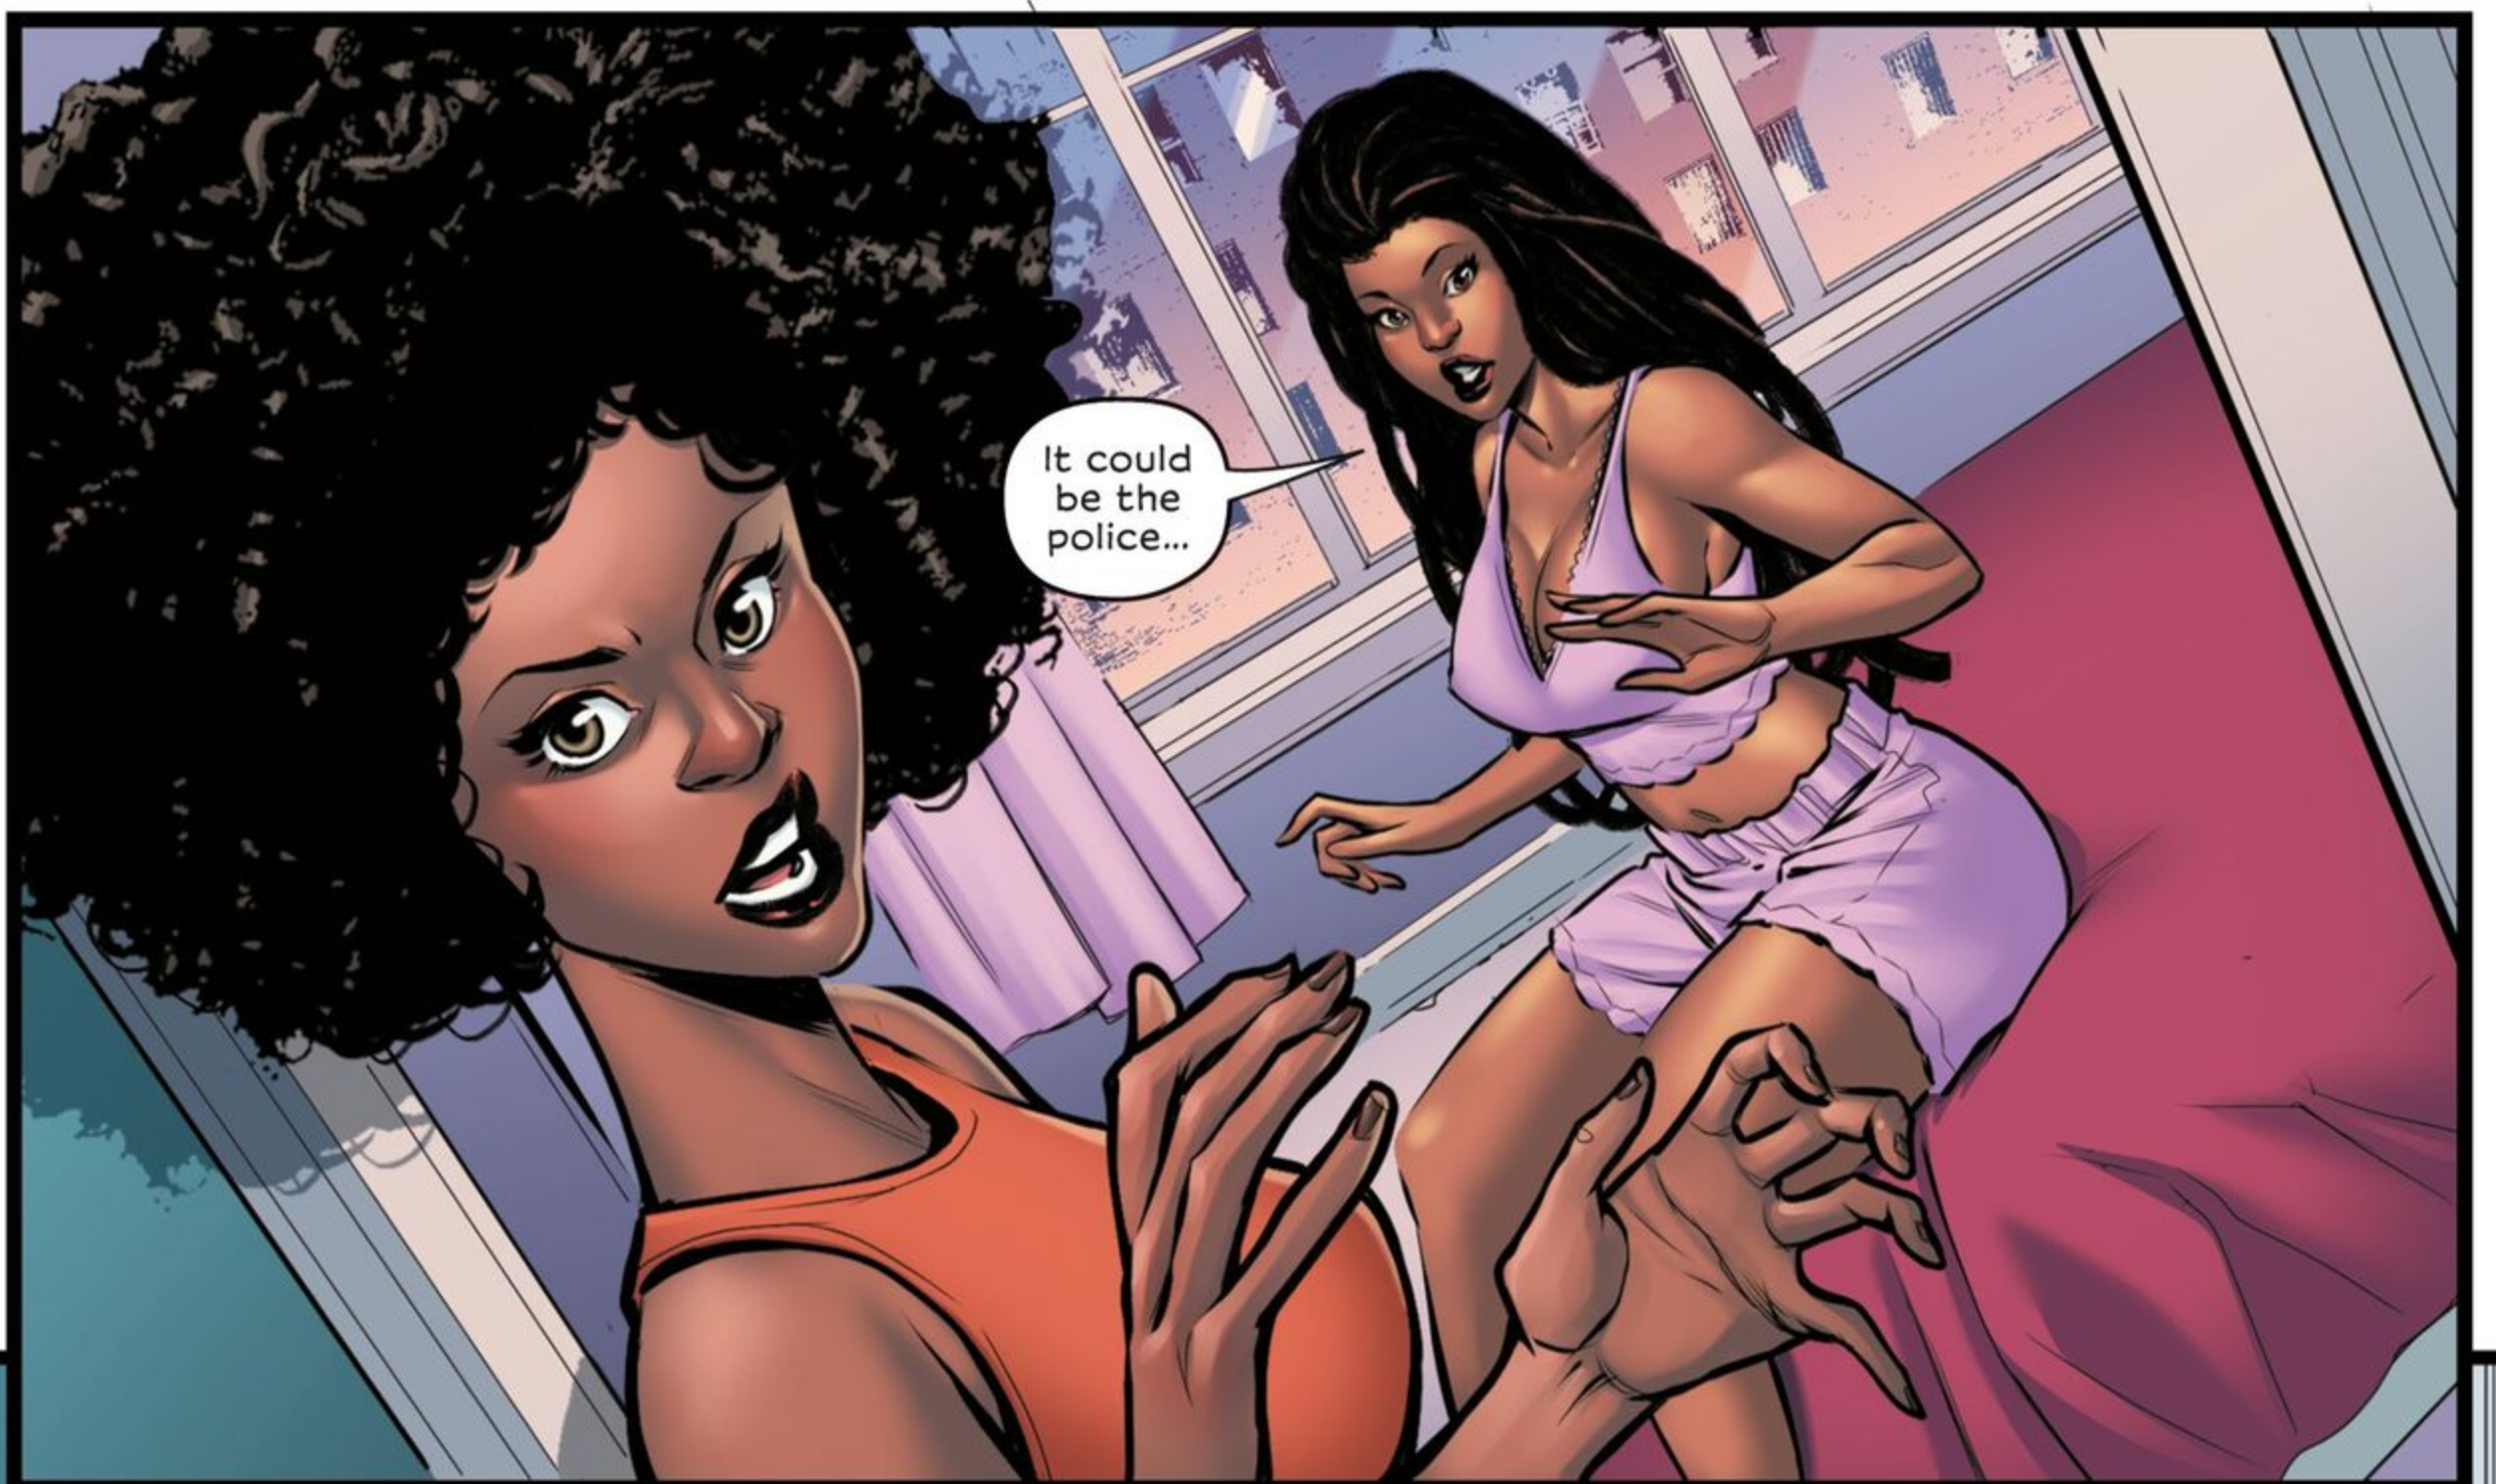

I'm here to do your will.

I'm here to do your will.

I'm here to do your will.

**BAD
BUG**

A stylized, high-contrast graphic featuring the words "BAD" and "BUG" in a bold, white, blocky font with black outlines. The text is centered on a dark, heavily textured background that resembles distressed leather or old parchment. Behind the text, a black silhouette of a wide, toothy grin is visible, with sharp, pointed teeth and a jagged, saw-like lower edge. The overall aesthetic is gritty and horror-themed.
